

Arts, Entertainment & Antique District

In May 2004, City Council adopted Resolution No. R2004-05-49, designating the Arts, Entertainment & Antique District. The designation was done to promote the district as an area attractive to businesses, visitors, and others interested in arts, entertainment, and antique-oriented endeavors. It has no effect on area zoning or permitting. In July 2006, City Council adopted Resolution No. R2006-07-70, further expanding the district boundaries.
